## BAR PROGRAM

# Raising a Glass at 440 ELM

## Welcome to 440 ELM!

We welcome you to 440 Elm, a beautifully renovated, award winning historic venue built in 1913 by architect Elmer Grey. An expansive outdoor Plaza and breathtaking Sanctuary provide a rare indoor/ outdoor combination. We can hold up to 1100 guests across the venue with 500 for a dinner in our Sanctuary or outdoors on the Plaza.

## Our Approach

440 Elm is a venue that provides beautifully presented options with the flexibility to adjust the approach to best match your guests and event while providing great hospitality. We have a range of options that start with wine/ beer to craft cocktails/ experiences. As a larger facility, we're focused on creating great experiences for each and every guest while minimizing the friction of lines and eliminating the awkwardness of cash/ tipping for your guests. We also pair non-alcoholic options to ensure guests who do not drink alcohol feel included in the festivities.

## Beverage Options: Appropriately Paired Beverages with Your Menu

Bite Catering Couture is the exclusive caterer for 440 ELM and we are a partner your company can rely on to deliver creative and high quality food and beverage options paired with a warm, knowledgeable and attentive service.

While we are presenting sample menus, creativity is at the heart of Bite's menu selection or product design process. We love to create a beverage service that fits a vibe, incorporates a theme or reflects an idea that is important to you.

We offer a wide range of options and love to customize. Our beverage program has multiple levels with the ability to incorporate custom flavors and product
